

Exterior Facilities & Features of Echo Lake Inn

The Pool Area

The perfect pool on a summer's day to enjoy a relaxing moment to read a book and sip on your favorite beverage. Located behind the inn with full sunlight all day long, this overly large inn pool and children's paddling pool has a full assortment of lounging furniture and a white picket fence perimeter. This area also includes our volley ball and badminton court.

The Tennis Courts

The tennis court, located next to the inn adjacent to the pool, features an all weather surface, a back board and night lighting. Available to all guests at no additional charge. House racquets and balls available at the reception desk.

The Lakes

Just one of the many finger lakes in this area, Echo Lake offers all the pleasures of a crystal clear Vermont lake. Our canoes and rowing boat are available from our dock, located 100 yards from the inn, at no additional charge.

The River

Considered to be one of Vermont's best trout fishing rivers, the Black River runs only a few feet from the inn. Try your hand at fly fishing or just sit in the lovely surroundings and watch the water run by.

The Front Porch & the Lawn

South facing, this is an ideal spot for Cocktail Receptions, Welcome Receptions, Bar BQs, Clam Bakes, etc. for up to 140 guests.
